WELCOME TO LIWA HOTEL

Liwa Hotel is gracefully set atop a majestic hill, offering breathtaking views of the Liwa Mezairaa oasis on one side and the legendary Empty Quarter, Rub Al Khali, on the other. Blending tradition with comfort, our rooms, suites, and villas are designed in a classic Arabian style, reflecting the region's rich heritage.

Originally built as a palace by the UAE's founding father, the late Sheikh Zayed, the hotel carries with it a legacy of history and elegance. Just a scenic two-and-a-half-hour drive from Abu Dhabi and three-and-a-half hours from Dubai, the journey itself is as memorable as the destination.
